ABEL GEBREGZIABHER

Aspiring Backend Developer

Email: abel.gebregziabher@aastustudents.edu.et

Phone: +251 955 537 664

Location: Ethiopia

PROFESSIONAL SUMMARY

Third-year Software Engineering student at Addis Ababa Science and Technology University (AASTU), with a strong interest in backend development and database systems. Currently developing practical skills in JavaScript, Node.js, Express.js, and PostgreSQL. Interested in building reliable web applications, designing REST APIs, and solving real-world programming problems.

TECHNICAL SKILLS

- **Programming Languages:** JavaScript, Python, C++
- **Backend Development:** Node.js, Express.js, REST API fundamentals
- **Database:** PostgreSQL, SQL
- **Tools:** Visual Studio Code, Git, GitHub

PROJECTS

Employee Management API

- Developed a REST API using Node.js and Express.js.
- Practiced employee creation, retrieval, updating, and deletion.
- Implemented request validation and error handling.

Employee Database

- Worked with PostgreSQL to store and manage employee records.
- Practiced SQL queries, filtering, sorting, pagination, and transactions.

EDUCATION

Bachelor of Science (BSc) in Software Engineering

Addis Ababa Science and Technology University (AASTU)

Status: Currently enrolled — Third Year
